Services

# Reusing the existing e-invoice infrastructure

- The Finvoice format and specification for use in eReceipts are existing.
  - Only minor details to be fixed
- In the pilot Tieto acted as an eReceipt operator
- Discussions in the e-Invoice operator network ongoing to start making a "Rule-book" for eReceipt operators

# Next in Siirto roadmap

Consumer payments

eCommerce payments

In-store payments

E-receipt

We are following the Pan-European development:  
SEPA Instant Payments – SCT Inst AND national schemes
